# 5 simple steps to swiftly redesign any room!

## *1. De-Clutter and Simplify:*

Start by clearing out excess items. A clutter free space instantly feels more open and inviting, setting the stage for your wonderful redesign.

## *2. Swap Soft Furnishings:*

Give your room an instant facelift by changing up cushions, throws and curtains.. A new palette can bring a fresh perspective to anyone walking into the room.

## *3. Rearrange for Flow:*

Experiment with furniture placement to optimise the flow of the room. Keep in mind ease of movement, especially for any younger ones!

## *4. Embrace Wall Art:*

Hang up your artwork! Those photos you have that you spent time printing needs to be put up! These personal touches add character and warmth to your space!

## *5. Play with Lighting:*

Switch up your lighting to set different moods. From cosy evenings to energetic mornings, lighting can transform the atmosphere

Redesigning a room doesn't need to be a time consuming project! These simple steps will help you achieve a family friendly space that reflects your style and adapts to your lifestyle.

Share your work with me when you've completed your next room redesign!
